## Shivaji – Son of India

RANJEET SALVI

### *Chronicles of a Mighty Maratha*

Author Ranjeet Salvi feels that this book, intensively researched over a period of twenty years, is a must-read for all. The story is about the great Maratha warrior, Chhatrapati Shivaji Maharaj. Shivaji was born with the sole purpose of resurrecting Hinduism in the Deccan, in the 17th century, after nearly 350 years of bludgeoning tyranny in the wake of the first infiltration into the Deccan by Alauddin Khilji at the end of the 13th century; the Deccan region had been ruthlessly devastated and ground to dust by the Muslim rulers. Shivaji achieved this gargantuan task in a short span of thirty-five years, restoring the mangled self-esteem of the Hindus.

The no-holds-barred saga is the author's understanding of the great warrior king through his deep research of the anecdotes, folklore, and narratives passed on over generations, which combine to define Shivaji's divine personality. This book should be read as a story paying homage to Chhatrapati Shivaji Maharaj and not a historical rendering as such. The author also brings to the attention of the readers many episodes showcasing Shivaji's great respect and regard for women.

**A fascinating account of one of the greatest warriors  
India has ever known.**

General (Dr) Manoj Mukund Naravane (Retd)

**This book will indeed be a great guide for everyone.**

Dr Baba Patil, Retired associate professor, Bharatiya Vidhya Bhavan

**Filled with an amazing amount of detail and breezily written.**

## Letting Go of Nothing

PETER RUSSELL

*Relax Your Mind and Discover the Wonder of Your True Nature*

A practical and empowering approach to the age-old quest to let go of the thoughts and feelings that block happiness, impede change, and hinder self-acceptance. Anyone who has dipped a toe into any of the world's spiritual traditions knows that letting go and letting be are key. But how? In this fresh, frank, and powerful guide, Peter Russell allows readers to see that the things we get hung up on are generally not tangible problems in the present, but are instead thoughts, feelings, interpretations, beliefs, or expectations we have about them. These are not actual things; they exist only in our minds. And we can strip these "nothings" of their power and let them go by making a simple change of mind. Russell boils this letting go down to remarkably easy methods of accepting, acknowledging, recognizing, and even befriending what we tend to run from. This paradoxical practice generates peace of mind, fresh perspectives, and wisdom in action. In turbulent times like ours, this is a true power, one available to us all.

ROBERT SCHWARTZ

*The Healing Power of the Life You Planned before You Were Born*

In this groundbreaking First Book, *Your Soul's Plan: Discovering the Real Meaning of the Life You Planned Before You Were Born*, Robert Schwartz brought the idea of pre-birth planning into the mainstream. Now, his brilliant sequel delves even deeper by exploring the pre-birth planning of spiritual awakening, miscarriage and abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. Working with a team of gifted mediums, Schwartz brings forth great love and wisdom from "the other side" to explain why such experiences are planned—and the deep, soul-level healing they can create.

## Sai Baba and Aai NIKHIL KRIPALANI

### *An Account of Baba's Miracles and Grace*

Sai Baba continues to work miracles in the lives of His devotees and shower them with His love and care. Filled with personal anecdotes and short stories, this book traces the journey of a simple, pious housewife, fondly known as Aai, who – through her depth of surrender – becomes a channel for Baba's words and work to flow through. Aai's life is a testament to Baba's values of simplicity, compassion, and complete surrender. Irrespective of her modest external life, or innumerable hardships, she is steadfast in her devotion to Baba, and He, in turn, stands by her as a rock – ensuring that she is always safe and provided for. Aai always insists that she is not special in receiving His constant grace.

The Major Arcana depicts the archetypal forms of the gods and goddesses of India.

The Indian epics, the Ramayana and Mahabharata, form two of the themes depicted in the suits of the Minor Arcana. Other themes in the suits include the life of the Buddha, and the great love story of the culture – that of Shiva and Parvati.

It has unmatched spiritual power and contemporary resonance. This beautiful deck is designed for readings as well as for meditation. The comprehensive text in the accompanying handbook explains the illustrations as well as their context within the Tarot.
